

We are excited to announce an enhancement to our Business Online Banking platform!

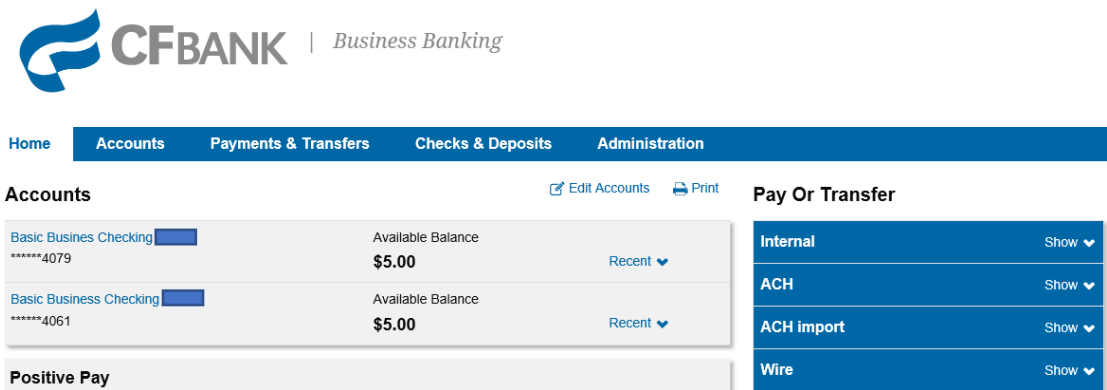

Dear Valued Customer,

At CFBank, providing the best products and services is our priority. We are proud to announce an enhancement coming to Business Online Banking on June 21, 2019. The update will include a new look and feel to the current site, an updated ACH platform and the integration of Soft Tokens for wire and ACH users. A Soft Token is an App you can download on your Smartphone versus using a Key Fob Token.

What to expect?

- Your username, password and token will remain the same.
- You will still have access to all your past transaction history, including check images and statements.
- **A new URL link** to access our upgraded Business Online Banking site. We will be sharing the new URL as the live date approaches. Please be aware of this change, especially if you have our website saved in your Favorites.

What will the update look like?

The screenshot shows the CFBANK Business Banking interface. At the top is the CFBANK logo and the text "Business Banking". Below this is a navigation bar with tabs for "Home", "Accounts", "Payments & Transfers", "Checks & Deposits", and "Administration". The "Accounts" tab is selected. The main content area is divided into two sections: "Accounts" and "Pay Or Transfer".

Accounts		Pay Or Transfer	
Basic Business Checking *****4079	Available Balance \$5.00	Internal	Show ▼
Basic Business Checking *****4061	Available Balance \$5.00	ACH	Show ▼
Positive Pay		ACH import	Show ▼
		Wire	Show ▼

Next steps:

- CFBank will be providing additional communications regarding this enhancement.
- The new URL will be shared on the current Business Online Banking login page.

Should you have any questions, please contact our Treasury Management Specialists at 614-505-5798 or treasurysupport@cfbankmail.com.

Sincerely,

Whitney Lewis
